

Oh, Sure, Jeff Knows All About the Navy Now

New York Is Football Mad; Two Games at Polo Grounds

Carlisle and Dartmouth Meet Saturday; Interest Intense in Army-Navy Battle on Nov 29; Supply of Seats Exhausted.

NEW YORK, Nov. 11.—With the first of the two big football games to be played in this city set for Saturday, local interest in the gridiron sport is rapidly rising to the standard set by college towns. Despite the overshadowing effect of the Yale-Princeton game at New Haven, there is a big demand for tickets for the Carlisle-Indian-Dartmouth contest at the Polo grounds next Saturday.

Great as is the interest in this game, however, it falls short of the general enthusiasm and ticket demand for the army and navy contest on November 29. The enormous seating capacity of the Polo Ground stadium has been found unequal to the demand for coupons. It was believed the demand for Franklin field, Philadelphia, to the baseball park here would solve the problem of seating of all who desire to witness the football battle between the soldiers and sailors, but this has not been the case.

Demand Exceeds Supply.

With approximately 45,000 seats available for the two academics, their supporters and the general public, it was thought there would be no necessity for returning any applications for tickets. This idea was quickly proved erroneous, for with the game still more than two weeks away the ticket demand exceeds the seating capacity by many thousands.

To Number Players.

An effort is being made to have the competing players in both of these games numbered, so that there may be no doubt as to the men making touchdowns, runs and tackles. Coach Cavanaugh and the Dartmouth college athletic council have consented to the plan, but Coach Glenn Warner of the Carlisle Indians said his team could not adopt this innovation. Dartmouth is the first big college team to use this numbering plan in the east, although it has proved successful in the west and in eastern schoolboy games. If it proves a successful move in the Dartmouth-Indian game, the army and navy eleven will be urged to adopt the same method of identification for the closing game of the season on November 29.

Kansas Has Scrimmage.

LAWRENCE, Kan., Nov. 11.—Light scrimmages were given by the University of Kansas football squad today. The men were in high spirits and were confident of giving Nebraska a close game next Saturday. Steve, the plugging full-back, who was out of last Saturday's game with Washington, came out today for practice. Reports from other regulars on the hospital list were that several would be in Saturday's game.

Tigers Buck Yale Plays.

PRINCETON, N. J., Nov. 11.—The Princeton varsity stood off the new scrub eleven using Yale's plays and wearing the blue jerseys, for fifty minutes today in a defensive test against Yale formations. Later the varsity carried the ball for ten minutes but failed to score. The varsity's first experience against Yale plays.

Yale at Work.

NEW HAVEN, Conn., Nov. 11.—Yale football coaches gave the varsity eleven just six minutes of scrimmage practice this afternoon, in which the varsity secured the ball on the kick-off, and ran it down the field in short rushes for the remainder of the practice was taken up with signal drill. There will be a long scrimmage tomorrow, it was announced. That will be the last before the Princeton game Saturday.

Penn in Good Shape.

PHILADELPHIA, Nov. 11.—The university of Pennsylvania football team lined up against the scrubs today on Franklin field in the final scrimmage in preparation for next Saturday's game against Michigan at Ann Arbor. All the regulars took part in the practice and appeared in good condition. An X-ray examination of Mind's shoulder, which was injured in the game with Dartmouth, showed only a severe bruise. The team will leave for Detroit at 12:30 o'clock tomorrow.

Shakeup at Harvard.

CAMBRIDGE, Mass., Nov. 11.—A big shakeup was made in the Harvard team today when Hardwick was shifted from backfield to end. Storer moved back to his old position at tackle. Hitchcock moved into guard, Bradley taking Hardwick's place in the backfield, with Cowan as first sub. The team as it lined up today was: Left end, O'Brien; left tackle, Storer; left guard, Hitchcock; center, Rousey; right guard, Hitchcock; right tackle, Gilman; right end, Hardwick.

quarter, Logan; halfbacks, Bradley and Mahan; fullback, Bradley. The reason for this change was that Bradley was felt to be indispensable to the backfield, especially because of his great defensive playing in the Princeton game. With Bradley and Bradley to do the heavy work and the feet Mahan to run in the open plays, the backfield should prove very strong.

Hardwick Strong End.

Hardwick will prove exceptionally strong at end, as he used to play the right end position last year when Pelton punted. He also will be good at receiving forward passes, as he handles a football very cleverly. Storer will be much more efficient at tackle than at end, owing to his long experience.

On the whole, this lineup looks much stronger than the original one, because it keeps Mahan and Bradley both in the game at the same time, instead of alternating, as before, and also strengthens the end position by putting in Hardwick there. The practice today was very light, consisting merely of dummy tackling, kicking and catching punts and a sharp signal drill. The men were all pretty stiff from Saturday's grueling battle, but all came through in fine shape, except for a few minor bruises.

Scare at Ann Arbor.

ANN ARBOR, Mich., Nov. 11.—A big scare was sent into the camp of the Wolverines today when Pontius did not show up in uniform because of the serious injury to his leg. It is possible that Yost will have to get along without services of the big tackle by putting in Brown and Pontius limped out to the clubhouse today, but his limbs seemed to be in a sort of paralyzed condition, although he is able to walk with the aid of a cane. Two physicians are working on the lower extremities of the warrior.

South Dakota Strongest.

VERMILION, S. D., Nov. 11.—The South Dakota team, which will meet the varsity tomorrow, will be the strongest in every respect except at center, where neither of the aggregations, that of Minnesota and Notre Dame to low scores and defeated Denver. Brown and Henley will handle equally well the ends vacated by McCormick and Haulson. The switchbacks are confident of a victory.

Nebraska Has Hopes.

LINCOLN, Neb., Nov. 11.—While the football outburst on campus today was anything but rosy, there was cheering bit of news. It was that Halfback Rutherford, 17, for nearly a week, has been in the lineup. Rutherford has given a partial promise that he can play in the Kansas game. Rutherford has gained more yards at a faster rate this season than all the rest of the team, and to lose him in the critical game would be regarded by the coaches as a calamity. Captain Purdy was out in a suit this afternoon, but he is limping and his entrance into the Saturday game is uncertain. There was a variety of drill today, with a short session of lively scrimmages.

Primed for Chicago.

MINNEAPOLIS, Nov. 11.—Indications tonight were that all of the regulars in the Minnesota football team would be in the game at the opening at least, against Chicago next Saturday. Snyder, left end, who was out of action for several days, was in practice today. Work this afternoon on Northrup field consisted of three hours of hard scrimmages, and it was said that Coach Williams intended to give his ward two days more of similar workout before Saturday.

Missouri Makes Ready.

COLUMBIA, Mo., Nov. 11.—The University of Missouri football team worked today with the scrubs in scrimmages to day in preparation for the game with Kansas. Using many new plays, the varsity men ran through the second team at will.

Hold Secret Practice.

ST. LOUIS, Nov. 11.—With four coaches directing their maneuvers, the Christian Brothers college football squad practiced today in a hard workout. The practice was secret, and Coach Kelly drove his men hard in an effort to whip them into the best condition for the game with Notre Dame November 22.

Washington Works Hard.

ST. LOUIS, Nov. 11.—Twenty-five men made their appearance on the field at Washington university this afternoon and were given a hard workout by Coach Edmunds. The coach tried several new men in the varsity backfield, which he is endeavoring to improve for the game with the University of Missouri here Saturday. Scherer was taken from the line and placed as half back.

Cripples Return.

CHICAGO, Nov. 11.—Guards Snyder and Wilson of the Northwestern university football squad and Halfback Whiting, all of whom have been on the hospital list, returned to practice today and Coach Grady believes he will send the strongest team against Indiana next Saturday.

Zimmerman Not Member of Fraternity

HEINE ZIMMERMAN.

NEW YORK, Nov. 11.—Heine Zimmerman, the hard-hitting third baseman of the Chicago National league club, is no longer a member of the Baseball Players' Fraternity. David J. Fultz, president of the players' organization, confirmed a report to this effect tonight, saying that Zimmerman had been dropped in July after failure to pay his dues. Zimmerman owed for six weeks, said Fultz.

Others also financially delinquent were notified that their names had been removed from the membership list, Fultz said, but they were reinstated after their applications were approved by the advisory board.

Zimmerman can join again by applying for reinstatement, but, according to Fultz, the Chicago player has evinced a desire to do so. Fultz attributed Zimmerman's attitude toward the fraternity as indifference and not as meaning that he was hostile toward it.

Invokes History's Aid.

By International News Service. CHICAGO, Nov. 11.—Football history's aid was invoked by Professor A. A. Stagg today in his efforts to set the record straight on the Chicago team's five times in history to four Midway victories.

Coach Stagg confirmed the bulk of the practice at signal drill and expressed satisfaction at the speed shown. Some of the new plays failed at times and the director declared tomorrow's rehearsal would be long and important. The regulars were all in the lineup and the squad promises to be in tiptop shape by the end of the week.

Illini Is Encouraged.

By International News Service. CHAMPAIGN, Ill., Nov. 11.—Illini players, after making a sad showing since the Chicago reverse, came back tonight and gave the fans some encouragement. The husky freshmen were routed by the Zupke attack, headed by "Dutch" Wagner. Wagner will probably play quarterback Saturday, since it was decided tonight that there was no chance for Fogue to play. The loss of Fogue is a bitter blow to the Illini, but hopes are entertained that he will be able to play against Minnesota.

To Enforce Bird Law.

A conference with Fred W. Chambers, state commissioner of fish and game, was held yesterday by D. C. Nowlin of the department of agriculture. Mr. Nowlin was sent to Utah from Washington, D. C., to enforce the new migratory bird law. The conference was in regard to methods of enforcing the law, which prohibits shooting before sunrise or after sunset.

A Maker of Health.

A good honest medicine like Foley Kidney Pills gives health to many families. Mrs. O. Palmer, 635 Willow St., Green Bay, Wis., was seriously ill with kidney and bladder trouble. Mr. Palmer writes: "My wife is rapidly recovering her health and strength due solely to the use of Foley Kidney Pills." Schramm-Johnson, Drugs, "The Never-Substitutors," Five (5) Good Stores.

PLAYERS' DEMANDS BEFORE THE MINORS

May Be Referred to Committee; Secretary's Report Full of Interest.

COLUMBUS, Ohio, Nov. 11.—What action will be taken by the convention of the National Association of Baseball leagues on the demands of the players' fraternity was a matter of conjecture here tonight. Several magnates who attended the opening session of the convention today were of the opinion that the demands would be referred to a committee if they were presented on the floor of the convention. Others expressed the belief that the demands would not be presented.

Twenty-four leagues out of forty-three holding membership in the association were represented at today's meeting. Six other delegations, which have been snubbed at Cleveland, are expected. The convention will begin actual work tomorrow.

Governor Cox of Ohio and Governor Hooper of Tennessee were the central figures at the afternoon session. Ohio's executive welcomed the delegates to Ohio and Tennessee's governor reminded them that Nashville desired the next convention. President M. H. Sexton of the National association presided.

Secretary Farrell submitted his annual report. The report sets forth that the number of players drafted during the year from the minor leagues by the major leagues was eighty-eight, of which the National league drafted forty-five and the American league forty-three.

Fifty-eight thousand eight hundred dollars was paid on optional agreements, and \$7200 was paid on the drafted players returnable under the waiver rule.

The amount of money paid for purchase of National association players was \$158,250, and the grand total received through Farrell's office for drafted players, optional agreement players and players released by purchase players was \$481,500.

Secretary Farrell's report showed one more delegate present from the following leagues: American association, International, Pacific Coast, Western, Southern association, Texas, Central, New England, New York State, Three-Eye, Northwestern, South Atlantic, Virginia, Wisconsin-Illinois, Southern Michigan, Central association, Ohio State, Illinois-Missouri, South Carolina, Michigan State, K. I. T., Nebraska State, New York-New Jersey and California State.

Sessions of the national board of arbitration, which has cases to hear, were begun this morning sooner than the arrival of Secretary Farrell. It is thought a pocket can be cleared by Thursday night.

Coasters Buy Pitchers.

Manager Arthur Devlin of the Oakland Pacific league team purchased tonight Pitcher Geyer from the St. Louis Nationals, and Manager Horace Howard of the team of the same league completed a deal for Pitcher Chelle of the St. Joseph Western league team. Hogan also bought Second Baseman Leard from Oakland.

President Barrow and several club owners of the International league tonight discussed informally with American association magnates and President Chivington the proposal for all teams of the two leagues to play post-season games next year. It is said that the plan will probably be given a test.

BUSINESS MEN AND UTAH COPPER VICTORS

In the Commercial league last night the Utah Copper team defeated the Smith-Bailey bowlers in the City league in Business Men were victorious over the Bowditchs. In the Commercial league Highman was high man with a total of 120. Bowditch was second with 114. The Nationals and the Windsor play tonight. Batt. Outinet Will Compete. BOSTON, Nov. 11.—Francis Outinet, the Brooklyn amateur who recently carried off the national open golf championship in competition with the professional stars of the world, will compete next summer in the British amateur championship. This was announced tonight at a dinner given in honor of the youthful champion by the Woodland Golf club, of which he is a member and with it to read him ahead in quest of further honors.

PLAN BIG RACE FOR GOLD WATCH GIFT TO FRED SNOODGRASS

Teams Representing Thirteen Schools to Take Part in Gruelling Contest.

NEW YORK, Nov. 11.—Teams of long-distance runners representing thirteen of the larger eastern universities and colleges, with one from the middle west, have been entered to compete in the sixth annual cross-country championship race of the Amateur Athletic Association of America, to be held over the Van Cortlandt park course in this city November 22. The list as announced by H. A. Fisher includes the teams of Harvard, Cornell, Yale, Princeton, Pennsylvania, Dartmouth, Michigan, Syracuse, Brown, Colgate, Pennsylvania State, Columbia, Massachusetts Institute of Technology and College of the City of New York.

The race, which is over a circuit of about six miles, will be one of the severest tests required of the college athletes in several years. Three half miles over dirt roads, one and a half miles over dirt roads, one and a half miles over dirt roads, and the remainder over hard macadam and rough trails.

Judged on their early season form and results in the various dual meets to date, Harvard, Cornell, Yale and Princeton appear to be the more formidable contenders. Michigan is the only representative from the middle west and although the work of the Wolverines has not called forth any sensational reports, the well-known ability to develop long-distance runners at Ann Arbor makes Michigan a factor to be considered.

BROWN BASEBALL MEN ORGANIZE FOR 1914
